8/13	6:30	Blacksmith Fork	10 miles
8/20	6:30	Blacksmith Fork**	28 miles

## Series Prizes:

End-of-series prizes will be awarded by category based on participant point totals at the end of the series. Your point total at the end of the series will be the sum of your 14 best individual TT scores.

Your score for a single TT is computed from the total number of racers you beat plus 1. So, the more people who participation, the more points you can earned. Also, you can earn an extra 5 bonus point for beating your previous personal best time for the course for this year.

$$\text{Score} = 1 + \# \text{ of racers beat} + \text{bonus}$$

For example, if you have a time fast than 18 other racers but didn't beat your personal best time for the year, you would earn 19 points.

## Weekly Drawings:

You can earn tickets for a weekly drawing as follows:

- 1 ticket for participating
- 1 ticket for beating this year's previous personal best time
- 1 ticket for 1<sup>st</sup> place in each category
- 2 tickets for helping with the timing

\* Mass start      \*\* Hardware ranch turnaround
