#### Series Prizes:

End-of-series prizes will be awarded by category based on participant point totals at the end of the series. Your point total at the end of the series will be the sum of your 12 best individual TT scores.

Your score for a single TT is computed from the total number of racers you beat plus 1. So, the more people who participation, the more points you can earn. Also, you can earn an extra 5 bonus point for beating your previous personal best time for the course for this year.

$$\text{Score} = 1 + \# \text{ of racers beat} + \text{bonus}$$

For example, if you have a time fast than 18 other racers but didn't beat your personal best time for the year, you would earn 19 points.

#### Weekly Drawings:

You can earn tickets for a weekly drawing as follows:

- 1 ticket for participating
- 1 ticket for 1<sup>st</sup> place in each category
- 2 tickets for helping with the timing

Note: A TT may be cancelled in the event severe weather. Cancellations will be posted to [lrc@lists.loganraceclub.org](mailto:lrc@lists.loganraceclub.org).

\* Mass start    \*\* TTT option, Hardware ranch turnaround

Note: a few of the TT's may be replaced by criteriums, depending of the availability of a course. Check [www.loganraceclub.org](http://www.loganraceclub.org) for updates to the schedule.
